Coey's Jackets & Workin' Gear

Guys 'n Gals

You pick it we stick it!

That's our motto. Pick a style shirt, color and size, and then pick your design and we stick it. It's that easy! All prices include a one sided decoration.

We have displayed our most popular items, but are not limited to these items. You can ask us if we can find items with lower minimum, print a picture of the shirt in the color you are interested in or we can get you links to our warehouses loaded with items. Print prices on hard surfaces are usually less than engraved and we try to list that price. If you don't see what you are looking for ask us about it, we can look it up and get you a quote.

Decorated = Each item is priced with a one-sided one location design applied to your apparel. The print price includes a standard Coey Chroma all color print, vinyl or embroidery.

Coey Chroma = Coey Chroma DTF prints are full color and include an image approximate 12"x12" in size.

Screen printing has a minimum of 12 items and will be quoted separately. Oversized prints, are additional, standard size is 12" x 10" or 120 square inches. No additional fees, like screen fees or setup fees! Screen printing is priced out by the number of colors used.

Glitter = is a glittery vinyl called glitter flake (the glitter does not come off, it is embedded in the vinyl). Add \$3 to the prices listed for a one-color one-sided design. Design size is approximately 10"x 10".

Rhinestone or Spangles = these prices are determined by how many rhinestones/spangles and colors are used in the design. Add \$3 to the prices listed for a one-color one-sided design with an approximate size of 8" x 4" and a moderate amount of rhinestones/spangles.

Embroidered (or emb) = Embroidered items are priced at 12,000 stitches or less, approximately 4" x 4". Up to eight colors can be used. There is a one-time fee to digitize each design. The price listed includes one location with these specifications. If embroidering heavy jackets or heavy duty Carhardt Jackets these will cost extra depending on the fabric type.

Names or Numbers = Names and Number printed via Vinyl, Coey Chroma or embroidered (embroidered size is 3" wide for a name and 2" high for a number): \$7 for a name OR number: for a team of 12 or more \$5 each. \$12 for a name AND number: for a team of 12 or more \$10 each.

Pictures/Photos = Want to see a picture of your children, grandchildren or pet on a shirt? We can do it! It will look just like the photo you send us.

Apparel = Want to see a picture of the item you are interested in, in your color choice? Just ask us. If its available we'll send you a picture via email.

Turn Around Time = Most orders takes two weeks or less. Delivery dates [of](#) orders 200 items or more will depend on how many design locations there are and the type of designs used.

*Request to try on item(s) before we decorate an item for proper fit, once decorated items cannot be returned or exchanged. All sales final.
