Coey's Shirts

You Pick It, We Stick It!

That's our motto. Choose your shirt's style, color, and size, then pick your design—we'll stick it. It's that easy! All prices include one-sided decoration. We display popular items, but we can help you find others with lower minimums. Hard surface prints are often cheaper than engraving, and we list those prices when possible. Don't see what you're looking for? Ask us for a custom quote.

Decoration Options

Standard Decoration:

Prices include one-sided, one-location design with Coey Chroma DTF prints, one color vinyl, or embroidery.

Coey Chroma:

Coey Chroma DTF prints are full-color designs up to 12" x 12".

Screen Printing:

Minimum order is 12 items, quoted separately. Standard print size is 12" x 10" (or 120 sq. in.), with no extra setup fees. Pricing is based on the number of colors.

Glitter Vinyl:

Glitter flake vinyl adds sparkle without shedding. Add \$3 for a one-sided, one-color design up to 10" x 10".

Rhinestones/Spangles:

Prices depend on the quantity and colors used. Add \$3 for a one-sided design (approx. 8" x 4") with moderate rhinestones or spangles.

Embroidery:

Includes up to 12,000 stitches and a design size of 4" x 4" with up to 8 colors. A one-time digitizing fee applies. Heavy jacket embroidery or heavy-duty Carhartt jacket embroidery may have additional fees.

Add-Ons

- \$7 each; \$5 each for teams of 12+.
